

# Year 4 Autumn Term Curriculum Overview

## Information

- P.E will take place on Monday and Wednesday.
- Spelling homework will be set on SeeSaw and tested on Fridays.
- Please read daily with your child and record in their reading record.

## Computing

During this term, we will be learning how to touch type. We will also be developing our computing skills to use PowerPoint and create presentations.

## English

In English we will be reading 'Swimming Against The Storm', 'Where The Poppies Now Grow', 'One Boy's War', 'Snow' and 'The Christmas Truce'. Each English lesson will be based on these texts, focusing on reading, writing, grammar, spoken language and spelling.

Reading comprehension lessons will be taught each day.

## P.E

This term we are very lucky to have Jersey Sport leading our P.E lessons.

n.simon@montnicolle.sch.je

## Maths

In Year 4, we will focus on the following topics,

- Place Value
- Addition and Subtraction
- Measurement (Area)
- Multiplication and Division

We will be using different methods to scaffold learning within Maths.

## History

In our History topic, we will be learning about 'World War I'. We will explore the main events that occurred during World War I, what life was like for soldiers in the trenches, the roles of women during World War I, and the significance of poppies.

## Art

Our Art learning will link to Geography and History.

## Geography

During the first half term, we will be learning about human and physical features of each of the world's continents.

## Science

Our focus for Science this term will be on animals. We will be learning to group animals in different ways. We will study our local and wider environment, including the dangers that occur when environments change. After half term, we will be learning about teeth and the digestive system.

## R.E

We will learn about the 'Trinity' and why it is important for Christians.
