

Year 1 Spring Term Curriculum Overview

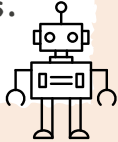

Information

- P.E will take place on Monday and Tuesday.
- Spelling test every Friday.

Computing

We will be learning about and how to follow 'algorithms' by using Bee-Bots.

Art

We will be learning how to layer a range of textures in order to create a collage effect as well as different techniques used for creating 3D models.

English

Children will take part in Read Write Inc lessons in small groups each day. There will be guided reading sessions throughout the week and your child will be given a book to read with you at home. Please sign your child's reading record and leave a comment. English lessons will be based on a variety of fiction and non-fiction texts that focus on reading, writing, grammar, spelling and punctuation.

P.E

This term we are very lucky to have Miss Carey from Jersey Sport, leading our P.E lessons.

Maths

In Year 1, we will focus on the following topics,

- Place Value (within 20)
- Addition and Subtraction (Within 20)
- Place Value
- Length and height
- Mass and Volume

We will be using different methods to scaffold learning within Maths.

P.S.H.E

In P.S.H.E we will be learning about how to keep safe including sleeping, appropriate touch and sharing. We will also focus on Rights and Respect and basic First Aid.

Geography

Our topic is Hot and Cold Countries. We will learn about seasonal and daily weather patterns in Jersey and the UK. We will also learn about the location of hot and cold areas of the world in relation to the Equator and the North and South Poles.

History

In History we will be learning about Florence Nightingale and Lillian Grandin and their impact that they had on the medical world today.

Science

We will learn about the basic parts of the human body, identify and classify animals, compare the structure of animals, as well as observe changes across the four seasons including weather.
